

SAFE-D's 2021 Legislative Platform

SAFE-D's LEGISLATIVE VISION

- Emergency Services Districts are created by voters to provide more reliable funding for fire protection and emergency medical services. As a result, the primary mission of Emergency Services Districts is to protect the lives and property of their citizens when they are threatened by emergencies. In order to accomplish this critical and essential function, Emergency Services Districts must have a predictable, reliable and adequate level of revenue, and SAFE-D will support efforts to enhance this revenue and will oppose any efforts to diminish this revenue.
- SAFE-D will work for legislative outcomes that preserve or enhance the authority of Emergency Services Districts to provide the first line of defense for their communities in natural disasters and other emergencies recognizing that each ESD operates amidst its own unique set of traditions, expectations and requirements.

SAFE-D's LEGISLATIVE GOALS
